

NZOHA Grants Progress Report Form

A successful candidate should submit the progress report by **1 October for the first grant round** or **1 May of the following year for the second grant round**. This will be used by the association to communicate with the members.

Please acknowledge the association in any meaningful way, including any related publications, and consider submitting a manuscript to the Australian and New Zealand Journal of Dental and Oral Health Therapy for our members to learn about your achievements. Also, feel free to approach us if you believe you can share some valuable insights with members via an online webinar.

1. Contact Information

First name:		Last name:	
Address:			
Phone:		NZOHA membership no.:	

2. Funding

Total Fund Received	
Fund Used	

Do you need to change your budget for the remaining funds? Yes - please provide a detailed explanation and attach it to the report.

3. Progression Report

Please attach a summary report of your research, postgraduate study, or voluntary activity. Please provide updates on how funds have been used and the progress made.

Required information:

- An executive summary (**maximum one page**), including a brief overview of the research or community project, its objectives, and key accomplishments during the reporting period
- For postgraduate study without any research components, you are required to provide an executive summary, including a brief overview of your learning during the reporting period
- A 100 words summary for the association communication (e.g. newsletter, social networking services, etc.)

*For more information or to submit the application, email Chris Heuiwon Han
(advisorydirector@nzoha.org.nz)*
